

## Crawfords

Run by John from Ireland, Crawfords is a true Irish oasis!

If you are looking for some "craic" then you will find it in Crawfords.

John, the owner, runs a really great pub. The atmosphere is friendly and welcoming.

Local expats and retirees will discuss the days happenings over a few cool pints up at bar.

Tourists will love the relaxed setting in the outside beer garden and you can indulge in all the best European food in Cha-am.

John regularly arranges events and parties for key dates in the Calendar including Christmas, New Year, St Patricks Day, St Georges Day, Valentines Day and Halloween.

He has live music every weekend and in peak season they have a band playing every night.

There is a pool table in the corner and John is a bit of a shark himself. However, there are a few walls that get in the way which means you will need a smaller cue - John uses his local knowledge here!
