

Weather in Cha-am

Cha-am is a seaside resort in the Gulf of Thailand so it has a very tropical climate.

Seasons are split in 3:

- Hot - March until May
 - Rainy - June until October
 - Cool - November until February
- Seasons are not exact - due to Global warming! These are just indications. The real fact is that Thailand is a great place to visit ALL YEAR ROUND. The most popular time is December when temperatures are around 25 degrees.
